ABOUT METAFAB TECHNOLOGIES Pvt.Ltd.

At Metafab Technologies (P) Ltd, we have been transforming ideas into reality for over 20 years.

We are a **BIFMA, GREENGUARD, GRIHA, IAQ, OHSAS, AIOTA, GREEN PRO, IGBC**, and **ISO** certified **MSME** manufacturing company, enlisted with **NSIC**. Metafab is a leading manufacturer specializing in modular workstations, chairs, ready-to-assemble tables, storage systems, school furniture, and turnkey interior projects.

The Metafab brand has empaneled with banks, corporates, and central & state government departments, as well as public and private sector organizations. Our state-of-the-art facility is equipped with advanced technology, enabling us to deliver premium quality products that meet the most stringent customer requirements.

We are committed to innovation, sustainability, and building long-term partnerships with our clients. Our team of skilled engineers and craftsmen is dedicated to providing exceptional quality and support, ensuring our customers' needs are met every step of the way.

OUR VISION

To provide international quality office work space by enhancing the standards on day to day basis and make METAFAB' a leading brand in the industry.

OUR MISSION

To polish the skills of employees innovatively and along with advanced technologies to provide customized service for all walks of society.
